OLDER WOMAN

Breathes there a girl with pussy so dead that she doesn't like to be given head? Well, if there is, that girl isn't Olivia. She's been lifting her dress so studs with long tongues can pay her lip service for more years than she'd like to admit. But her pussy is still as sweet and succulent as ever. If he coaxes her enough, she might even give some head herself. Her own tongue has had plenty of experience on cocks!

Okay, she's licked and sucked his cock into a rock. Now her pussy gets it!

Any seductress worthy of the name knows the value of mashing her pussy in a guy's face while working his cock with her mouth!

Olivia isn't getting older;
she's getting sexier!

TWICE IS NICE

When East meets West,
the fur flies and the pussies
dribble!

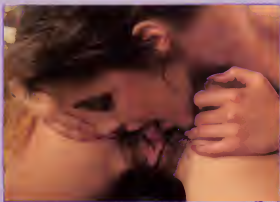

Kim and Donna like to gang up on some lucky guy and suck and fuck the shit out of him, but sometimes when there's no lucky guy available, they gang up on each other and suck and fuck the shit out of themselves. They've had a lot of experience and they expect to get a lot more!

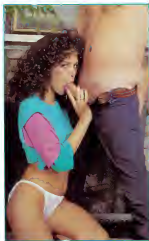

In any language,
69 means the same
thing; more
pleasure than you
can shake your
tongue at!

SALLY'S SCORE

With a body and a mouth like this, Sally always scores!

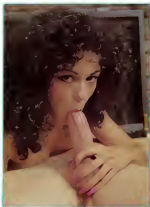

Sally knows how to score
at either end!

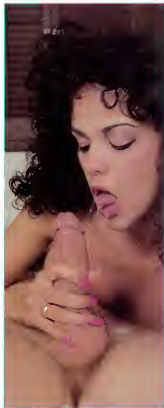

When Sally sucks a load of jism into her luscious mouth, everybody comes up a winner!

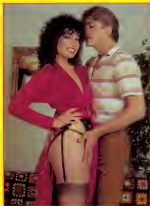

FRENCH COOKIN'

Frenchy knows what's cookin'—her pussy. Her snatch is bubbling with the desire to take some male meat and heat it until it's ready to eat!

An eager male tongue
adds to her pussy heat!

Frenchy isn't her nickname for nothing. She likes all kinds of sex. She likes her pussy eaten. She likes her pussy fucked. She likes her asshole reamed. But what she likes most is to have a hunk of hot male meat in her hand, with her tongue lathering the tip until the guy is squealing with pleasure, and then take the whole thing in her warm, wet mouth and suck it until it explodes with passion!
